

CONFIDENTIAL

16 September 1953

Mr. J. T. Campbell  
Head of Monitoring Service  
British Broadcasting Corporation  
Broadcasting House, London W. 1,  
Caversham Park, Reading, Berks.

Dear Mr. Campbell:

Thank you for your letter of 28 August 1953 concerning the Baltic monitoring project.

We appreciate the technical and diplomatic difficulties inherent in a project of this nature and are glad to learn of the measures you are taking. Our intelligence consumers continue to attach considerable importance to monitoring coverage of the Baltic area and the results of the Oslo tests will therefore be of great interest to FBIS. I presume that the possibilities of Helsinki have also been considered in the event that Stockholm should prove to be out of the question.

We are looking forward to Saltmarshe's arrival on 2 October. Does he wish us to arrange hotel accommodations?

Sincerely,

25X1
